

REMARKS

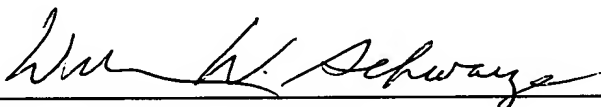

Claims 1 to 7 are pending in the application.

The purpose of this amendment is to insert the reference to the International application of which this is a Section 371 and to place the specification and claims in appropriate U.S. form and in better English syntax. Such amendments are formal in nature and no new matter is added by any of the above amendments. A marked-up copy of the substitute specification is enclosed to reflect these amendments. Entry of this amendment and early examination of this application are respectfully solicited.

Respectfully submitted,

Ralf KUHNER et al.
